### Independent Auditors' Report

To the Board of Supervisors  
San Bernardino County District Attorney's Office

We have audited the accompanying statement of grant revenues and expenditures of the San Bernardino County District Attorney's Office (the Office) *Organized Automobile Fraud Activity Interdiction Program* Grant (Urban Grant) in accordance with the State of California's Department of Insurance Fraud Division *Organized Automobile Fraud Activity Interdiction Program* Grant Contract for the year ended June 30, 2005. This statement is the responsibility of the Office's management. Our responsibility is to express an opinion on the statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and in accordance with the State of California's Department of Insurance Fraud Division Audit Guidelines. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of grant revenues and expenditures was prepared for the purpose of complying with the audit requirements of the State of California's Department of Insurance Fraud Division *Organized Automobile Fraud Activity Interdiction Program* Grant Contract as described in Note 1 and is not intended to be a complete presentation of the Office's grant revenues and expenditures.

In our opinion, the statement referred to above presents fairly, in all material respects, the grant revenues and expenditures of the San Bernardino County District Attorney's Office *Organized Automobile Fraud Activity Interdiction Program* Grant (Urban Grant) in accordance with the State of California's Department of Insurance Fraud Division *Organized Automobile Fraud Activity Interdiction Program* Grant Contract for the year ended June 30, 2005, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 23, 2005 on our consideration of the Office's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of this report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance.

This report is intended solely for the information and use of the County's Board of Supervisors, District Attorney's Office management and the California Department of Insurance Branch Fraud Division, and is not intended to be, and should not be, used by anyone other than these specified parties.

(URBAN GRANT)**

**Notes to Financial Statements**

**1. Summary of Operations and Significant Accounting Policies**

**Description of the Reporting Entity**

The statement represents the grant revenues and expenditures of the San Bernardino County District Attorney's Office (the Office) *Organized Automobile Fraud Activity Interdiction Program Grant* (Urban Grant) for the year ended June 30, 2005. The grant is pursuant to the provisions of California Insurance Code Section 1874.8 and is solely for the purposes of prosecution and elimination of organized automobile fraud cases. The grant was funded by the State of California Department of Insurance Fraud Division and administered by the San Bernardino County District Attorney's Office. The accompanying statement of grant revenues and expenditures presents only the activities of the *Organized Automobile Fraud Activity Interdiction Program Grant* (Urban Grant) and is not intended to present the financial position of the San Bernardino County District Attorney's Office nor the County of San Bernardino itself in conformity with accounting principles generally accepted in the United States of America.

**Description of Grant**

The grant funds are issued pursuant to authority granted to the California Insurance Commissioner under the provisions of Section 1874.8 of the California Insurance Code to all local district attorney offices for distribution of funding for prosecution and elimination of organized automobile fraud cases.

The preparation of this financial statement requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of revenues and expenditures, as well as the disclosure of contingent liabilities. Actual results could differ from those estimates. Management also determines the accounting principles to be used in the preparation of the statement. A description of the significant accounting policies employed in the preparation of this statement follows:

**Statement of Grant Revenues and Expenditures**

The statement of grant revenues and expenditures presents the eligible costs charged to the *Organized Automobile Fraud Activity Interdiction Program Grant* (Urban Grant) by the San Bernardino County District Attorney's Office and the revenues awarded to the Office by the State of California Department of Insurance Fraud Division.

**Basis of Accounting**

Revenues and expenditures are presented on an accrual basis. Expenditures are recognized in the accounting period in which they are incurred, that is, when goods are received or services are provided. Revenues are recognized in the accounting period in which the grant is awarded.

**Report on Internal Control Over Financial Reporting and on Compliance  
and Other Matters Based on an Audit of Financial Statements Performed  
in Accordance with *Government Auditing Standards***

To the Board of Supervisors  
San Bernardino County District Attorney's Office

We have audited the statement of grant revenues and expenditures of the San Bernardino County District Attorney's Office (the Office) *Organized Automobile Fraud Activity Interdiction Program* Grant (Urban Grant) in accordance with the State of California's *Organized Automobile Fraud Activity Interdiction Program* Contract for the year ended June 30, 2005 and have issued our report thereon dated September 23, 2005.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Office's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Office's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported herein under *Government Auditing Standards* issued by the Comptroller General of the United States.

This report is intended solely for the information and use of the Board of Supervisors, District Attorney's Office management, and the California Department of Insurance Fraud Division, and is not intended to be, and should not be, used by anyone other than these specified parties.

### Independent Auditors' Report on State Compliance

To the San Bernardino County Board of Supervisors  
San Bernardino County District Attorney's Office

We have audited the statement of grant revenues and expenditures of the San Bernardino County District Attorney's Office (the Office) in accordance with the State of California's *Organized Automobile Fraud Activity Interdiction Program* Grant Contract for the year ended June 30, 2005 and have issued our report thereon dated September 23, 2005. Our audit was made in accordance with auditing standards generally accepted in the United States of America, the standards for financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States and Section 1874.8 of the California Insurance Code. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Office's management is responsible for the Office's compliance with laws and regulations. In connection with the audit referred to above, we selected and tested transactions and records to determine the Office's compliance with the state laws and regulations applicable to the following:

- Expenditures were made for the purposes of the program as specified in Section 1872.8 of the Insurance Code, the Regulations, and the guidelines in the Request for Application and the County Plan.

Based on our audit, we found that, for the items tested, the Office complied with the laws and regulations referred to above. Further, based on our examination, for items not tested, nothing came to our attention to indicate that the Office had not complied with state laws and regulations.

This report is intended solely for the information and use of the Board of Supervisors, District Attorney's Office management, and the California Department of Insurance Fraud Division, and is not intended to be, and should not be, used by anyone other than these specified parties.
